

REMARKS

In reviewing the claims, Applicant has notice a typographical error in claim 1. Accordingly, claim 1 is amended herein to clarify the proper claim scope.

The Examiner has requested that Applicant point out where support for each and every change in the amendments is found in the original specification. In response, Applicant provides the following sources of support for the amended claims.

Amended claim 1 is supported by original claim 1; original claim 4; original claim 11; and paragraphs [0019], [0023] and [0025] of the original specification.

Amended claim 12 is supported by original claim 12 and paragraph [0019] of the original specification.

Amended claim 14 is supported by original claim 14; original claim 9; and paragraph [0020] of the original specification.

Amended claim 16 is supported by original claim 16 and paragraph [0020] of the original specification.

Amended claim 18 is supported by original claim 18 and paragraph [0021] of the original specification.

Amended claim 19 is supported by original claim 19; original claims 20-25; and paragraphs [0019], [0023] and [0025] of the original specification.

Amended claim 27 is supported by original claim 27; original claim 28; and paragraph [0019] of the original specification.

Amended claim 29 is supported by original claim 29 and paragraph [0020] of the original specification.

Amended claim 30 is supported by original claim 30 and paragraph [0021] of the original specification.

Amended claim 31 is supported by original claim 31; original claims 32-37; and paragraphs [0019], [0023] and [0025] of the original specification.

Amended claim 39 is supported by original claim 39; original claim 40; and paragraph [0019] of the original specification.

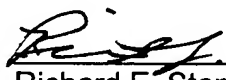

Amended claim 41 is supported by original claim 41 and paragraph [0020] of the original specification.

Amended claim 42 is supported by original claim 42 and paragraph [0021] of the original specification.

If the Examiner has any further questions regarding the amended claims, the Examiner may call Applicant's attorney, Richard E. Stanley, Jr., at 312-321-4279.

Accordingly, Applicant requests reconsideration and allowance of the application since none of the prior art of record discloses the claimed inventions as now presented.

Respectfully submitted,
